

Champions Luncheon a Smashing Success

On April 20, 2018, over 350 guests joined us for our third annual luncheon at the Four Seasons Hotel. Together we celebrated the work of Children's Council and honored [two special child care champions](#) for their lifelong commitment to early education.

If you weren't able to join us, [check out our new photo album](#) showing all the highlights. You can also watch and share three new videos which debuted at the luncheon.

Most importantly, you can keep the momentum of this inspiring day moving forward by making a gift to Children's Council. Your support will ensure that more families are connected to child care that meets their needs. [Donate now!](#)
