

Impact Report

Children's Council has been at the heart of San Francisco's child care community for more than 45 years. Our mission to give every child a chance to reach their full potential means that we offer a variety of services and are always looking to expand our network of support.

Get to know us and the full scope of our work with this introduction packet by browsing through the Issuu platform below. Click on the box in the bottom-right corner to open up to "Full Screen" for easier reading.
