

# City Kids Family Fair: Live & In-person

Are you ready for some outdoor fun? What about an opportunity to laugh and play as a family? If so, City Kids Family Fair is for you!

## **But what is City Kids Family Fair?**

City Kids connects our community to Children's Council's mission: **to ensure that all children reach their full potential.**

City Kids is a fun, family-friendly event that showcases many of the early care and education programs and services available to San Francisco families through Children's Council and many other community organizations. This event features **free resources, giveaways, activities, entertainment** and more!

As our CEO Gina M. Fromer said in 2019, "The first five years of life are a critical time for a child's development. City Kids... is a wonderful celebration of families and children." We invite you to join our celebration on Saturday, October 16! **Watch Gina's interview:**
