

Join Our Team! Make Child Care a Reality for All SF Families

At Children's Council, it's our mission to connect families to child care that meets their needs.

Every day, we work with parents, child care providers and community partners to make quality early education a reality for all children in San Francisco.

Do you have the passion to help us meet our goal? **There may be a future for you on our team!**

Our staff members are dedicated and driven individuals from all walks of life. We come together to form a diverse community, united by a mission to ensure that all children in our city can find enriching early education. We find success as a collective because of the cause we share as individuals.

We have several opportunities available now on our Parent Services team, the entry point for many families into Children's Council's programs and services.
