

Playgroups: Explore the Power of Play

[Learn more and RSVP for a Playgroup!](#)

Our Parent & Caregiver Education team understands the power of play: engaging, developmentally-appropriate activities help build young brains.

These playgroups are a wonderful chance for young children to engage with art, music, movement, language and dramatic play while socializing with their peers. Once a month, we learn sign language together!

Our lively, inspirational playgroups are led by child development experts and are designed for parents and caregivers with children up to 6 years old.

Through our nearby Toy & Book Lending Library, Playgroup attendees can explore and borrow books, toys and other developmentally-appropriate materials.

Playgroup attendees (both big and little) sing, dance, paint, draw and play together. Everyone makes new friends, creates memories and builds community.
